## **WELCOME TO THE JUNIOR AUCTION FOR THE WELLESLEY HIGH SCHOOL CLASS OF 2016!**

Thank you for joining us! We hope you enjoy this wonderful, fun-filled event.

This evening is the product of the dedication and tireless efforts of many individuals from our class, families, school and community. Throughout the pages of this booklet, you will find the names of those who gave generously of their time, talents and treasures.

We would like to extend a special thanks to the co-chairs of the Junior Auction, Terri Sevilla, Michelle Zeytoonjian, Anne Mears, and Pam Snyder for their hard work and support. We would also like to thank our class advisors, Dr. Robert Cohen and Ms. Laura Licata, for their guidance and efforts as well as our principal, Dr. Jamie Chisum and our Housemasters, Ms. Lynne Novogroski, Mr. Marc Bender, and Mr. Drew Kelton.

The Junior Auction remains a vital part of the Class of 2016's fundraising campaign. Proceeds from this event will go toward funding time-honored class traditions, such as the May 8th Boat Cruise, Senior Prom and Senior Banquet.

We are proud to announce that this year, 10% of all of the profits raised tonight will go to the wonderful charity "First Book," which provides new books to children in need. We agree that every child deserves a world of knowledge within their reach!

We would like to extend one final thank you to all the students, parents, teachers, friends and members of the Wellesley community who have made our Auction for the Class of 2016 possible.

On behalf of the Class of 2016, we would like to thank everyone who is attending tonight and we hope you enjoy the evening.

- The Auctioneer reserves the right to withdraw any item before or during the sale.
- The Auctioneer may elect not to sell an item if the minimum bid has not been met.
- The Auctioneer reserves the right to take auction items out of order.
- All sales are final. There will be no exchanges or refunds except as specified.

### **OVERRIDING AUCTION PRINCIPLES**

- The Auction Committee has tried to catalog and accurately describe each item. The Auctioneer reserves the right to make verbal corrections during the Live Auction and to provide additional information from the stage at the time of sale. Values have been estimated by the donor or the Auction Committee and are not warranted by the School for tax purposes.
- Unless specified, dates and times for the use of properties or services are to be arranged at the mutual convenience of the donor and the buyer and, where stipulated, the terms of the donor are to be respected. All services and properties must be used within one year from the date of the auction, unless otherwise agreed to by the provider, and the buyer is expected to assume full responsibility and liability for any damage to property that occurs during use.
- By this purchase, the buyer waives any claim for liability against the Auction Committee, the Wellesley Public Schools, and the donor of property or services, including any personal injuries or damage to property that may result from the use of property or services purchased by the buyer.

### **SILENT AUCTION RULES**

- For each item, write your bid number and the amount of your bid on the bid sheet.
